Sub : Use of Municipal Plastic Waste for co-processing in the cement plant

Madam/Sir,

I am directed to send here with a copy of the letter received from the State Pollution Control Board, Odisha on the above noted subject and to intimate that as decided in the review meeting held on 26.06.2019 under the Chairmanship of Chief Secretary on compliance of the orders passed by the Hon'ble National Green Tribunal, Principal Bench, New Delhi in O.A No.606/2018 in implementation of the waste management rules in the State, all Municipal Plastic waste, which cannot be further recycled or sold need to be sent to the nearest cement plants for co-processing in their kiln as prescribed under rule-5(b) of the Plastic Waste Management Rules, 2016.

You are, therefore, requested to send the aforementioned category of Municipal Plastic waste, which cannot be further recycled / sold to the nearest cement plants (List of cement plants indicated in the Letter under reference) for co-processing in their kiln.

Difficulties if any in implementation of the same may be intimated to this Dept. for redressal.

Yours faithfully,

Encl : As above

**Sub: Use of Municipal Plastic waste for co-processing in the cement plant.**

Sir,

In inviting reference to the above cited subject, this to intimate that the plastic waste having more calorific value is being used by various cement plants in nearby states. M/s ACC Cement, Bargarh, Odisha is also using plastic waste from ULBs for co-processing in their kiln in cement plant. Use of plastic waste (preferably the plastic waste which cannot be further recycled) for energy recovery or waste to oil etc. is prescribed in Sec 5 (b) of Plastic Waste Management Rules, 2016. Further it was decided in the review meeting taken by the Chief Secretary in the matter of Solid Waste Management in compliance to the orders of Hon'ble NGT, that all cement plants <sup>to</sup> be directed to use municipal plastic waste for co-processing in the cement plants.

recd  
22.6.2019

Sanitation

In view of above, you are requested to use plastic waste from the nearby municipalities after obtaining due permission from SPCB, Odisha.

Action taken in this regard may be communicated at the earliest to the Board.

Yours faithfully,
